and valuation statements. On the receipt of these statements in July 1907, the Financial Secy was consulted as to whether provision of funds required for acquiring the lands was possible. Mr. Majumdar suggested that the work of acquiring the lands might be taken up in April-May 08 accordingly the Dy. Comr. was informed that ^{for want of} provision in the current year's budget, the proposal might be renewed towards the end of the official year.

The Dy. Comr. has duly renewed the proposal now. Before sanctioning the acquisition of the lands notifying it in the Gazette, the Fin. Branch may be asked if the approximate cost of acquisition viz Rs 40000, can be provided for in the next year's budget.
